

SNAP SHIPS®

BUILD TO BATTLE®

WELCOME TO THE FUTURE...

Where humanity is under constant attack from a brutal alien threat. The Komplex spreads through the galaxy and is growing stronger with each system they conquer, each species they defeat and assimilate.

And now they are here.

To defeat them, humanity relies on an elite team, the Forge, who pilots an armada of spacecraft known as Snap Ships. Fast attack craft, armored bombers and so much more, Snap Ships are designed to be modular to build the perfect ships for battle.

And these Snap Ships are the last shot they have at stopping the Komplex.

Are you ready to **BUILD TO BATTLE?**

BP-48 BIPED MECH

The BP-48 Biped Mech is a ground support unit that roams the battlefield, unleashing a barrage of rockets against enemy ground units autonomously.

This drone's features include:

- **RRL4 FIRESTORM SHOULDER LAUNCHERS** with rapid-fire rockets
- **AIX-300 BATTLE CONTROL UNIT** acts as an AI battle "brain" that analyzes battle conditions and then plots actions, sharing information with other drones

This kit includes 14 Building Pieces, 2 Accessories, 12 Projectiles

On its own, this biped mech is impressive, but when you collect the other Forge drones and combine all three into the **FUSION BUILD MD-SWITCH 1**, the Komplex ground forces don't stand a chance!

RL-55 Assault Drone and DA-63 Turbine Drone sold separately.

Download the Snap Ships app for interactive builds and play
