## WELCOME TO THE FUTURE...

Where humanity is under constant attack from a brutal alien threat. The Komplex spreads through the galaxy and is growing stronger with each system they conquer, each species they defeat and assimilate. And now they are here.

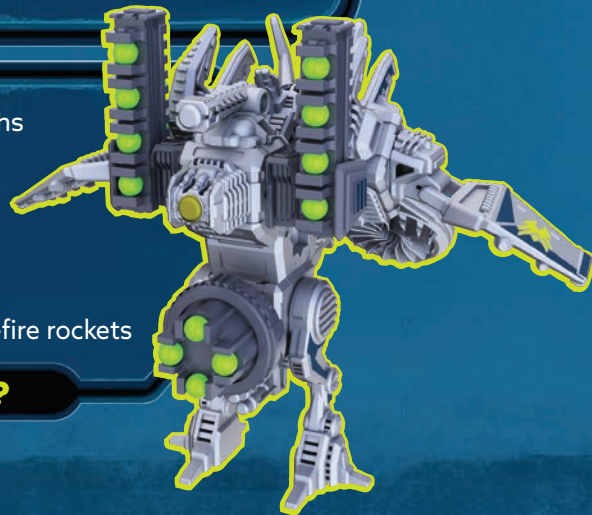

To defeat them, humanity relies on an elite team, the Forge, who pilots an armada of spacecraft known as Snap Ships. Fast attack craft, armored bombers and so much more, Snap Ships are designed to be modular to build the perfect ships for battle.

And these Snap Ships are the last shot they have at stopping the Komplex.

The Fusion Build **MD-SWITCH 1** is fortified with the strengths of three drones.

- **TWIN TURBINE ENGINES** provide flight and hovering capabilities
- **XR40 ROTARY LAUNCHER** fast-fires four missiles from its pod mechanism for maximum damage
- **RRL4 FIRESTORM SHOULDER LAUNCHERS** with rapid-fire rockets

Are you ready to **BUILD TO BATTLE?**
