

# SNAP SHIPS®

## BUILD TO BATTLE®

### WELCOME TO THE FUTURE...

Where humanity is under constant attack from a brutal alien threat. The Komplex spreads through the galaxy and is growing stronger with each system they conquer, each species they defeat and assimilate.

And now they are here.

To defeat them, humanity relies on an elite team, the Forge, who pilots an armada of spacecraft known as Snap Ships. Fast attack craft, armored bombers and so much more, Snap Ships are designed to be modular to build the perfect ships for battle.

And these Snap Ships are the last shot they have at stopping the Komplex.

Are you ready to **BUILD TO BATTLE?**

### K-CRAWLER SUPPRESSION MECH

The K-Crawler Suppression Mech is deployed in large numbers to help dominate alien battlefields. K-Crawler lays down a barrage of explosive mines and small arms fire as Komplex Troopers mop up enemy soldiers. This drone's features include:

- **KX-6 MINE LAUNCHER** launches a variety of mines ranging from general purpose explosives, EMP and shrapnel variants
- **CP HIVE LINK UNIT** allows multiple drones to be controlled by one pilot
- A secondary weapon, **CPL-1 SMALL LASER**, causes thermal damage against soft targets

This kit includes 12 Building Pieces, 2 Accessories, 6 Projectiles

On its own, this drone is impressive, but when you collect the other Komplex drones and combine all three into the **FUSION BUILD K-FORM**, the Forge ground forces don't stand a chance!

K-Dive Ambush Drone and K-Swarm Strike Drone sold separately.

Download the Snap Ships app for interactive builds and play
