

SNAP SHIPS®

BUILD TO BATTLE®

WELCOME TO THE FUTURE...

Where humanity is under constant attack from a brutal alien threat. The Komplex spreads through the galaxy and is growing stronger with each system they conquer, each species they defeat and assimilate.

And now they are here.

To defeat them, humanity relies on an elite team, the Forge, who pilots an armada of spacecraft known as Snap Ships. Fast attack craft, armored bombers and so much more, Snap Ships are designed to be modular to build the perfect ships for battle.

And these Snap Ships are the last shot they have at stopping the Komplex.

Are you ready to **BUILD TO BATTLE?**

Watch Dawn of Battle Now!

K-DIVE AMBUSH DRONE

The K-Dive Ambush Drone swarms into battle controlled by a remote hive mind link to a drone pilot. Striking into battle in space or planet-side, K-Dive delivers its payload of armor piercing rockets against Forge vehicles. This drone's features include:

- **CRS-4CT LAUNCHER**—loaded with armor-piercing rockets designed to shred the armor of Forge vehicles in space or on the ground
- **CP HIVE LINK UNIT** allows multiple drones to be controlled by one pilot
- **C-8MM GAUSS CANNON** uses high-velocity ball projectiles to damage light armor

This kit includes 16 Building Pieces, 2 Accessories, 8 Projectiles

On its own, this drone is impressive, but when you collect the other Komplex drones and combine all three into the **FUSION BUILD K-FORM**, the Forge ground forces don't stand a chance!

K-Swarm Strike Drone and K-Crawler Suppression Mech sold separately.

Download the Snap Ships app for interactive builds and play
