

SNAP SHIPS®

BUILD TO BATTLE®

WELCOME TO THE FUTURE...

Where humanity is under constant attack from a brutal alien threat. The Komplex spreads through the galaxy and is growing stronger with each system they conquer, each species they defeat and assimilate.

And now they are here.

To defeat them, humanity relies on an elite team, the Forge, who pilots an armada of spacecraft known as Snap Ships. Fast attack craft, armored bombers and so much more, Snap Ships are designed to be modular to build the perfect ships for battle.

And these Snap Ships are the last shot they have at stopping the Komplex.

Are you ready to **BUILD TO BATTLE?**

Watch Dawn of Battle Now!

K-SWARM STRIKE DRONE

The K-Swarm Strike Drone is sent into battle in large numbers as first strikers. The fast speed and maneuverability of the Strike Drone makes it the perfect tool to dash into combat, target an enemy ship, and unleash its four anti-armor missiles hoping for a quick takedown before the enemy even knows what is happening. This drone's features include:

- **QUAD ROTARY ASSAULT LAUNCHER** rapidly fires four tactical missiles
- **CP HIVE LINK UNIT** allows multiple drones to be controlled by one pilot
- A secondary weapon, **CDL SHOCK**, fires intense arcs of electricity to fry enemy systems

This kit includes 13 Building Pieces, 2 Accessories, 8 Projectiles

On its own, this drone is impressive, but when you collect the other Komplex drones and combine all three into the **FUSION BUILD K-FORM**, the Forge ground forces don't stand a chance!

K-Dive Ambush Drone and K-Crawler Suppression Mech sold separately.

Download the Snap Ships app for interactive builds and play
