

SNAP SHIPS®

BUILD TO BATTLE®

WELCOME TO THE FUTURE...

Where humanity is under constant attack from a brutal alien threat. The Komplex spreads through the galaxy and is growing stronger with each system they conquer, each species they defeat and assimilate.

And now they are here.

To defeat them, humanity relies on an elite team, the Forge, who pilots an armada of spacecraft known as Snap Ships. Fast attack craft, armored bombers and so much more, Snap Ships are designed to be modular to build the perfect ships for battle.

And these Snap Ships are the last shot they have at stopping the Komplex.

Are you ready to **BUILD TO BATTLE?!**

RL-55 ASSAULT DRONE

This fast-moving drone can streak from one side of the battlefield to the other to deliver its payload of four high explosive missiles, engaging enemy units autonomously as it roams the battlespace.

This drone's features include:

- **XR40 ROTARY LAUNCHER** fast-fires four missiles from its pod mechanism for maximum damage
- **AIX-550 BATTLE "BRAIN"** assesses the battlefield and controls the drone, and is networked across all Forge drones for coordinated attacks

This kit includes 13 Building Pieces, 2 Accessories, 8 Projectiles

On its own, this drone is impressive, but when you collect the other Forge drones and combine all three into the **FUSION BUILD MD-SWITCH 1**, the Komplex ground forces don't stand a chance!

DA-63 Turbine Drone and BP-48 Biped Mech sold separately.

Download the Snap Ships app for interactive builds and play
